Important information for examination:

This Naginata Seminar is open to all participants (membership requirements may apply).

Due to regulations the Nederlandse Naginata Renmei can only allow persons to do a grading test if one of the following conditions applies:

- The person is a member of the Nederlandse Naginata Renmei;
- The person is a member of another organization affiliated to the International Naginata Federation and has prior written permission from that organization to apply for the grading.

The Nederlandse Naginata Renmei follows the official guidelines of the International Naginata Federation on naginata examinations for Dan or Kyu grade (dated: June 26, 2003).
